Hi CPR-trained BLS people:

BID has arranged for a CPR refresher course here in Room 123 on **Wednesday, December 8th (1-4pm) & Thursday 9 (5-8pm)**. There are a few open slots for interested parties from BLS: 3 open slots for Wed 12/8 from 1-4pm and 6 open slots for 12/9 from 5-8pm. There is a \$10.00 fee that the student will need to pay for their CPR card. Checks should be made out to Fallon Ambulance, checks will be collected right before the start of each class.

Please let Glynnis LaRosa know no later than Friday, November 19th if you'd like to take a class (and your supervisor approves) and which date and time you wish to sign up for. Class space is limited.

FYI,
Linda
